MISSION DISCOVERY

All Schools Update

DECEMBER 2022

PORT DE PAIX SCHOOLS

Our six Port de Paix schools along the northern coast of Haiti have been the most consistent in keeping their doors open throughout this year! Thankfully, this area of the country has been calmer than the rest, and students have been able to continue attending school. Monthly giving helps us keep these schools going as they are 100% reliant on HOLD the Children funding.

CHRISTIAN ALLIANCE SCHOOL

Our Christian Alliance School, also called CAS, has had to close its doors at various times throughout the past year. It's located near the second largest city in Haiti: Cap Haitien, and violence and unrest have taken over much of this city at times. Students have attended school when possible, and work is still being done at the school. Students are anxious to return to school on a daily basis!

CAPVA SCHOOL

Our Capva School is located in the capital city of Port au Prince, Haiti, and unfortunately has had a hard time keeping its doors open this year. It is located in one of the largest and most dangerous slums in Haiti, and conditions have become even more unsafe throughout this past year. The school has opened when possible, but lately, it has had to remain closed for the safety of all who attend.

ONAVILLE SCHOOL

Our Onaville School, much like the Capva School, is also located in the capital city of Port au Prince, Haiti. As a result, it has been unsafe for students to attend school for some time. However, there have been times when students are still able to come to the school and receive a hot meal! They are anxious to return to school on an ongoing basis and look forward to being with their friends.

HOLD HOME ORPHANAGE

Our HOLD Home Orphanage in Port de Paix, Haiti continues to provide a wonderful home to 45 abandoned children. These children receive nutritious food, medical care, clothing, an education, and a place to call home. They are loved by a caring staff and strong network of supporters. The children here have been able to attend school throughout most of this year.

JAMAICA CHRISTIAN SCHOOL FOR THE DEAF AND VICTORY CHRISTIAN FELLOWSHIP

JCSD and VCF, both located in Motebo Bay, Jamaica have been up and running smoothly all throughout this year. We are so grateful for the progress being made in classrooms in each of these schools. Students continue learning and now will have a short break from school until after the New Year when they return.

KAIROS CHRISTIAN SCHOOL

Kairos Christian School in Antigua, Guatemala has had a very successful school year thus far! Their school year has wrapped up for 2022, and when students return after the New Year, they will begin their new school-year having moved up a grade. Teachers are thrilled for their students' accomplishments and those who graduated at the end of last year.
