

MISSION DISCOVERY

TO LOVE IS TO SERVE

Dear HOLD the Children supporters and sponsors,

Let me begin by thanking you for your continued support of our schools and children. Even in the midst of a global pandemic in recent years, you remained faithful to our children. I want you to know how blessed and

HOLD
THE CHILDREN

encouraged we are by your support. The last several years have been very difficult for us because of our inability to visit our HOLD schools and Orphanage. We have just recently been able to return to Jamaica and Guatemala and these schools are up and running well. Haiti, unfortunately, is in a very tumultuous circumstance. Besides all the effects of the pandemic, political turmoil, and ongoing civil unrest, they are dealing with a major cholera outbreak, gas shortages, and extreme gang violence. It is so dangerous right now, most people cannot leave their homes. And staying home is not a guarantee of safety.

Please pray for Haiti, our HOLD the Children schools, and our HOLD Home Orphanage. We will keep you updated about the status of our schools and orphanage and the situation in Haiti. Please consider joining us on a mission trip to Jamaica or Guatemala, and you could see HOLD giving in action!

Trusting in God's plan,

Jimmy Rivera

President, Mission Discovery

As the end of the year approaches, would you consider giving a special year-end gift to HOLD the Children? With your support, HOLD continues to provide education to more than 2,500 children in need in three different countries, as well as provide a Home for 45 orphans in Haiti. Every gift makes a life-changing difference!
